Chief, Advanced Training Division

Weekly Activity Report # 39
22 - 29 September 1953

I. NEW ACTIVITIES

None

II. OLD ACTIVITIES

The Chief of the RO Course has forwarded an interesting memorandum explaining the method used in that course to arrive at student evaluations and the feelings of the staff of that course regarding their capabilities to evaluate. I have also received a copy of the evaluation form used by the Air Training Branch. This form may possibly be adaptable to some of the Advanced Training courses. The whole matter of evaluation production in the Advanced courses continues to be studied.

III. PERSONNEL CHANGES

25X1
